BEHAVIOUR POLICY

Content:

The following procedure covers:

- COVID-19 Policy
- Introduction
- Behaviour during sessions
- Behaviour at events
- Disciplinary action
- Reporting of incidents
- Social Media

Covid-19 Policy

Athletes, parents, coaches & volunteers must not come to training sessions if they have any symptoms of COVID-19 or have been in contact with someone who has presented symptoms within the last 14 days. Please stay at home and follow the relevant government guidance. We ask that parents do not come into the hall but instead wait for their child to finish the session in their car. The coaches will bring children to the door to be collected at the end of the session. The club will keep a record of all athletes attending weekly sessions following the governments Test & Trace system.

Introduction

Desford Flyers is a friendly and caring club who welcomes athletes of all abilities. Flyers is run by volunteers who help and coach in their own time. Coaches and volunteers who are giving up their free time, will only continue to do so if they feel that the children are paying attention, being respectful to others and following the rules of the session. Equally, Desford Flyers expects the coaches, parents and volunteers to also follow the rules and be polite and respectful.

Behaviour during sessions

When at training sessions, we expect children to adhere to the following:

- Please arrive five minutes before your session and come prepared.
- Whilst we want our athletes to have fun, they are here to train and not mess about.
- Athletes must respect the code of conduct (see website for copy).
- Athletes must follow the coaches' instructions and listen carefully.

Violent behaviour, abusive language and bullying will not be tolerated in our club. The severity of this could result in immediate suspension of the child to training sessions and ultimately, termination of membership. This is for the safety of other athletes and to uphold the reputation of our club.

Behaviour at Events

During events, the following must be adhered to:

- Ensure you are ready well in advance for your event
- Make sure your kit is presentable and suitable for your event.
- Stay with your allocated coach and team.
- Listen to instructions that your coach gives you
- Ensure that your coach or parent knows where you are at all times.
- Be respectful towards the coaches, officials and other athletes
- Do not mess about on the track or touch the equipment
- Remember that you are representing Desford Flyers so must behave.
- Support and encourage all members of your team.

Disciplinary action

Desford Flyers have decided to put into place a card procedure for repeat offences of unacceptable behaviour.

We only plan to use this if coaches or volunteers feel that they are being repeatedly disobeyed.

The following procedure is in place for training sessions:

1. If poor behaviour is witnessed by a coach a verbal warning will be issued.
2. If the poor behaviour continues, the athlete will be asked to sit out of the activity. This is due to the behaviour disrupting the training of other athletes.
3. If the poor behaviour continues again, after the athlete has returned to the session, then a red card will be issued. The head coach will discuss this unacceptable behaviour with the parent or guardian. Red card incidents will be logged in the incident log.
4. If an athlete is repeatedly issued with red cards, the committee will decide if expulsion is necessary.

The following procedure is in place for events:

1. If poor behaviour is witnessed by a coach a verbal warning will be issued.
2. If the poor behaviour continues the offending athlete will be sent back to their parent or guardian and will not compete again at that event.

All personnel issuing warnings or cards MUST be sure that they are dealing with the incident fairly, and that if more than one athlete is misbehaving, the severity of the warning is explained to all the children involved.

Reporting Incidents

All parents are encouraged to informally report incidents to the coaches.

Should a parent feel that a verbal complaint is not sufficient, they must write a formal complaint to the welfare officer.

The welfare officer will investigate the complaint, gain statements and discuss the findings with either the committee. For details of the welfare officers, please see our website.

A formal response will be made to the complainant both in writing and in discussion.

As a club, we want to try to deal with all matters before they become serious, we want all children and parents to discuss any issues, however small they seem with a coach.

Social Media

Desford Flyers has an active Facebook page which is private and only open to parents of current members. We are happy for you to share photos on our Facebook page of your own children and we use this as an easy way of daily communication with parents about events and sessions. Although most parents are happy for their children to be photographed, Desford Flyers reserves the right to remove any images of children whose parents have not consented to this.

We are aware that everyone is free to write their own views on social media, but we respectfully ask that inflammatory comments are not posted on our page or any page relating to events that Flyers promote or attend. We take our reputation as an outstanding club very seriously and we will not tolerate abusive or derogatory behaviour by parents. If an issue of any description has occurred or you have a grievance, please contact a coach privately by email to discuss further so we can deal with it in the correct manner. We appreciate your cooperation in this area.

I confirm that I have read the behaviour policy fully and both parent and child will adhere to the expectations of Desford Flyers.
